Going ashore in Grand Cayman:

In Grand Cayman we use boats called "tenders" in order to get you ashore.

They will run continuously throughout the day in port.

The gangway in this port is located on Deck A, Midship.

If you are on a shore excursion, please allow at least 45 minutes to get ashore in order to give yourself plenty of time to meet with your tour.

Please remember your Tour Tickets, Shopping Map, Sail & Sign CardSM and photo I.D. when going ashore.

Last tender from the shore to the ship is at 3:00pm

Remember to stay on ship's time !

FUNSHIP FILMS

Our Videographers will be around shooting the best of all activities, shows, and tours. Professionally edited DVDs can be ordered to take home with you at the end of the cruise. Reserve your copy today at the Photo Gallery on Deck 3 Midship and keep watching Ch. 19.
