Before you do this, please make sure you have your "**Zone Number**" luggage tags on each piece. **PLEASE REMOVE ALL OLD LUGAGGE TAGS.** During the night the Stateroom Stewards will place the luggage in our secure holding area and place it ashore when we arrive in Tampa.

Your comments are used in an effort to constantly upgrade the service we provide and are very important to Carnival Cruise Lines. The rating category chosen should be based on the overall performance of the entire department.

Please don't let one incident, person or joke affect your rating for an entire category or department. A separate space is provided for written comments on the back of your card. If someone has made your cruise more enjoyable, please include their name. We sincerely hope we have exceeded your expectations. When you have completed the form, please deposit it in any of the Comment Card boxes around the ship.
